Amendments to IHF Ball Regulations

Dear Handball Friends,

Kindly be informed that the IHF Council, in its last meeting held in Gothenburg, Sweden on 1 July 2019, unanimously approved amendments to Article 2 of the IHF Ball Regulations, taking into consideration that the following three categories of handballs have been included:

- a) Handballs played with resin
- b) Handballs played without resin
- c) Handballs for beginners

Consequently, we would like to inform you that the revised version of the IHF Ball Regulations is available for download on the website of the International Handball Federation:

https://www.ihf.info/sites/default/files/2019-08/Ball_Regulations_E.pdf

Please note that special technical specifications for handballs are currently being developed.

We thank you in advance for your consideration and remain at your disposal for any further information you may need.

With best regards,

INTERNATIONAL HANDBALL FEDERATION
